COMPLEX LIT CENTER

RE: Philadelphia Firefighter Hearing Loss Litigation

Dear Judge Tereshko:

I am plaintiff's counsel for approximately five hundred Philadelphia firefighters who intend to file suit against Federal Signal Corporation. Currently, I have six cases in suit in the arbitration tract in Common Pleas Court. A copy of a standard complaint and a list of the docket numbers is attached hereto for your reference. I am requesting that you transfer those cases to Complex Litigation and, in turn, I will file all future cases with Complex Litigation.

I have discussed this matter with Defendant's counsel, Wayne A. Graver, Esquire of Lavin, O'Neil, Ricci, Cedrone & Disipio and he has indicated that his client is opposed to the cases being consolidated in the complex litigation program. Therefore, I respectfully request that the parties have a telephone conference with the Court at the Court's earliest convenience.

Thank you for your attention in this matter.

Respectfully,

JOSEPH J. CAPPELLI
