**CASE MANAGEMENT ORDER NO. 7 MODIFYING AND
SUPPLEMENTING DISCOVERY AND TRIAL SCHEDULES**

This Order revises certain discovery deadlines, pretrial motions schedules, and trial dates in the Trasylol personal injury actions in the Philadelphia Court of Common Pleas (“Coordinated Actions”). Except as otherwise provided herein, this Order applies to the parties as defined in Case Management Order No. 1 (“CMO 1”) (July 15, 2008), Case Management Order No. 2 (Amended) (“CMO 2”) (Feb. 13, 2009), Case Management Order No. 4 (“CMO 4”) (Mar. 17, 2009), and Case Management Order No. 6 (“CMO 6”) (May 5, 2009).

I. MODIFICATIONS TO PREVIOUSLY ESTABLISHED DISCOVERY SCHEDULE.

A. Revised Discovery Schedule for Plaintiffs’ Generic Expert Witnesses. Section I.A of CMO 2 is modified to provide a deadline of **August 18, 2009**, for Plaintiffs’ Liaison Counsel (i) to identify all expert witnesses who will offer opinions on issues of general applicability (“Generic Experts”) to the personal injury cases pending in this Court, (ii) to serve the reports of those Generic Experts, and (iii) to provide a reasonable schedule of dates on which Plaintiffs’ Generic Experts are available for deposition. Section I.A of CMO 2 is further modified to provide that depositions of Plaintiffs’ Generic Experts shall occur between **September 2, 2009**, and **October 20, 2009**.

B. Revised Discovery Schedule for Defendants' Generic Expert Witnesses. Section I.B of CMO 2 is modified to provide a deadline of **November 3, 2009**, for Defendants' Liaison Counsel (i) to identify all Generic Experts, (ii) to serve the reports of those Generic Experts, and (iii) to provide a reasonable schedule of dates on which Defendants' Generic Experts are available for deposition. Section I.B of CMO 2 is further modified to provide that depositions of Defendants' Generic Experts shall occur between **November 10, 2009**, and **January 11, 2010**.

C. Revised Schedule for Selection of Cases for the Case-Specific Expert Discovery Pool. CMO 6 and Section II.B(1) of CMO 2 are modified to provide that Liaison Counsel shall exchange their respective lists of three (3) selections by e-mail at Noon Eastern time on **July 28, 2009**.

D. Revised Protocol for the Replacement of Plaintiffs in Expert Discovery Pool. Section II.B(2) of CMO 2 is modified to provide that once a plaintiff has been selected for the Expert Discovery Pool by any party, any dismissal of that plaintiff within thirty (30) days of selection shall entitle the party selecting the plaintiff to select a replacement plaintiff. The replacement shall be selected (and notification given to opposing Liaison Counsel as provided in Section I.C of this Order) within ten (10) business days of the dismissal. Failure to select a replacement plaintiff and to notify opposing Liaison Counsel of such selection within ten (10) business days will constitute waiver of the right to select a replacement plaintiff. If a replacement plaintiff is selected, then the case-specific expert discovery schedule provided for below may be adjusted by agreement among the parties so long as case-specific expert discovery for the replacement plaintiff will be completed at the same time as for the other plaintiffs in the Expert Discovery Pool.

E. Revised Provision for the Dismissal of Plaintiffs Selected by Either Party for the Expert Discovery Pool. Section II.B(3) of CMO 2 is modified to provide that the intent of this Order is that the plaintiffs and defendants shall have an equal opportunity to select cases for case-specific expert discovery and for the Trial Pool. To maintain that equality, if a plaintiff selected by either party for the Expert Discovery Pool dismisses his or her case more than thirty (30) days after the date of selection (i.e., 30 days after July 28, 2009), then the party that selected the dismissed plaintiff may (but need not) remove one of the other party's selections from the Expert Discovery Pool.

F. Revised Schedule for Plaintiffs' Case-Specific Expert Discovery in Expert Discovery Pool Cases. Section III.A of CMO 2 is modified to provide that each Plaintiff in a case selected for the Expert Discovery Pool must (i) identify any case-specific expert(s), (ii) serve reports for any such expert(s), and (iii) provide a reasonable schedule of dates on which any such expert(s) (who will offer opinions on issues other than damages) will be available for deposition by **November 17, 2009**. Section III.A of CMO 2 is further modified to provide that depositions of Plaintiffs' case-specific experts shall take place between **November 30, 2009**, and **February 12, 2010**.

G. Revised Schedule for Defendants' Case-Specific Expert Discovery in Expert Discovery Pool Cases. Section III.B of CMO 2 is modified to provide that for each case selected for the Expert Discovery Pool, Defendants must (i) identify any case-specific expert(s), (ii) serve reports for any such expert(s), and (iii) provide a reasonable schedule of dates on which any such expert(s) (who will offer opinions on issues other than damages) will be available for deposition by **March 2, 2010**. Section III.B of CMO 2 is further modified to provide that depositions for Defendants' case-specific experts shall take place between **March 9, 2010**, and **April 30, 2010**.

H. *Deadline for the Completion of General Fact Discovery.* Section VIII.A of CMO 1 is modified to provide that all general fact discovery shall be completed by **September 14, 2009**.

I. *Revised Schedule for Case-Specific Fact Discovery.* Section VI of CMO 2 and Section VIII.A of CMO 1 are modified to provide that the parties shall complete case-specific fact discovery in the Expert Discovery Pool cases by **November 13, 2009**. Section VI of CMO 2 and Section VIII.A of CMO 1 are further modified to provide that, in cases selected for the Expert Discovery Pool, the production of documents described in Section V.C(9) of CMO 1 (pertaining to sales representatives) shall be completed by **August 28, 2009**, Plaintiffs shall serve their disclosures of case-specific fact witnesses by **August 20, 2009**, and Defendants shall serve their disclosures of case-specific fact witnesses by **August 27, 2009**.
