Defendants' objections to plaintiff's deposition counter-designations are due on **March 7, 2011**.

Settlement Conference, February 28, 2011 @ 2:30 pm CR 653
Trial will commence on **March 15, 2011**.

The Following Applies to both Cases Identified Above

For any deposition taken within 45 days of the trial date, deposition designations shall be served no later than 14 days after receipt of the final deposition transcript, with objections and counter-designations due seven days thereafter.

Exhibits not included on a party's exhibit list (except exhibits used for impeachment) shall not be received into evidence absent a showing of good cause as to why the exhibit was not included on the exhibit list.

Witnesses not included on a party's witness list shall not be called at trial absent a showing of good cause as to why the witness was not included on the witness list.

Hearings on motions in limine and other pretrial motions to be determined by the Court.

Final pretrial conference to be determined by the Court.

All PARTIES and Witnesses are attached.
