

FJD Judicial Ambassadors Visit Bala Cynwyd Middle School

On Veteran's Day, Friday, November 11, 2016, Judges Gwendolyn Bright and Karen Shreeves-Johns, Co-chairs of the Board of Judges Communication and Community Affairs Committee, launched the Judicial Ambassador's Program with the first website request to have a judge speak with a group of students at the Bala Cynwyd Middle School. Teachers Jennifer Ward (between Judges Shreeves-Johns and Bright in the photograph) and Meghann Morrison felt that real judges explaining the court process and role of jurors would enhance the students interest and understanding of two assigned books, titled *Monster* and *Adam*, that they were reading. The books involved various concepts about the judicial system. The students showed their enthusiasm by posing numerous questions. The school visit was a success for all involved.
